

Labor Conditions in the United States

Labor conditions in the Age of Industry were very different from the rules and regulations about working today. From child labor, to long work days, to unsafe working conditions, workers of the Industrial Age often had to choose between dangerous well paying jobs and repetitive low paying jobs.

Directions: Use a laptop and American Nation book to fill in the information below.

	Homestead Strike	Great Railroad Strike of 1886	Haymarket Riot	Triangle Shirtwaist Company	Anthracite Coal Strike 1902	Pullman Strike
